

DIRECTORY OF
CHARITY ORGANIZATION
SOCIETIES
OF THE
UNITED STATES AND CANADA

TOGETHER WITH A SELECTED
LIST OF FOREIGN SOCIETIES AND
OF UNITED STATES CONSULS

Sixth Edition, March, 1914

PRINTED BUT NOT PUBLISHED BY
THE CHARITY ORGANIZATION DEPARTMENT
OF THE RUSSELL SAGE FOUNDATION
130 EAST TWENTY-SECOND STREET
NEW YORK CITY

THE FOLLOWING STATEMENT AS TO THE USE OF THIS DIRECTORY
IS PRINTED AT THE REQUEST OF THE SOCIETIES FORMING THE
AMERICAN ASSOCIATION OF SOCIETIES FOR ORGANIZING CHARITY:

The societies listed in this Directory are receiving many requests for service from private individuals and social agencies in other cities. These requests often involve:

1. Visits to and inquiries about individual references in cases under care elsewhere.
2. Requests for information as to social conditions, some of them involving a great deal of work if the answers are to be of any value.

The charity organization societies are eager to be of service to the limit of their ability, but, to avoid delay and disappointment, they would respectfully urge upon inquirers the following considerations:

(a) Other things being equal, children's agencies will get, in their out-of-town inquiries, better service from children's agencies, public departments from public departments, and so on. Whenever possible, inquiries should be made through a *similar agency* in the city or town addressed.

(b) When the service needed is a specially important one and there is no similar social agency able to render it, this fact should be explained in making the request of a charity organization society, and the request should contain full and clear information about the applicant in whose interests the visit is to be made.

(c) Requests from individuals and business firms should be forwarded through their local charity organization society, if they are to receive any attention.

(d) The charity organization societies cannot undertake to gather data as to local social conditions upon request, but they will be very glad to furnish such information as they already have at hand to properly accredited inquirers.

Charity Organization Societies in the United States and Canada

United States Consular Service

The Department of State of the United States has informed the Charity Organization Department that American Consuls abroad would be glad to make investigations whenever the public business permitted; and that, in case public business prevented, they would turn such inquiries over to some responsible person or society for investigation, if possible. In writing to Consuls, the requests should be so worded as to indicate that investigations by the consulates are not necessarily expected. It will be desirable, however, always to request the special favor of having the reply come through the consulate, whether the investigation is made by it or by some local organization.

To insure prompt attention, letters upon consular business should be addressed "To the American Consul at _____." Such letters are opened and attended to by the person who happens to be in charge of the office. If addressed to the consul by name they are forwarded to him unopened if he should be absent, and delay is caused; if he should in the meantime have gone out of office they may wholly escape attention.

There are American Consuls in the following cities:

Argentina Buenos Aires Rosario	Denmark and Dominions Copenhagen St. Thomas, West Indies	Dresden, Saxony Erfurt, Prussia Frankfort-on-Main, Prussia Hamburg Hanover, Prussia Kehl, Baden Leipzig, Saxony Magdeburg, Prussia Mannheim, Baden Munich, Bavaria Nuremberg, Bavaria Plozen, Saxony Stettin, Prussia Stuttgart, Wurttemberg
