SICK

DESERTED

WIDOWED

UNEMPLOYED

AGED

To help such as these to solve their hard problems, Organized Charity offers the sympathetic trained assistance of its visitors. They plan with and for the families, while obtaining the money help needed, and stand by until, if possible, the point of self-dependence has again been reached.

# SOME OF THE CAUSES OF POVERTY

## IN LARGE CITIES

CONGESTION

TUBERCULOSIS

## IN SMALL CITIES

UNSANITARY STREETS AND HOUSES

In many cities, because of conditions which its work reveals. Organized Charity is warring against these Causes of Poverty in campaigns for better Laws and better enforcement

## WHAT ONE SOCIETY FOUND

The man was a cripple, so he cared  
for the three children at home  
His wife had "sore eyes" but she was  
earning \$4.50 a week in a factory

### THROUGH THE SOCIETY'S EFFORTS

An oculist examined the wife's eyes;  
An optician gave her glasses,  
enabling her to do sewing at home.  
A shoemaker taught the man a trade.  
A Sunday School class paid the  
mother her factory wages (and later, the rent)  
so she stayed home with the children:  
This class also advanced the cost  
of the man's outfit and drummed up  
customers for him

ARE YOU OBJECTING TO WHAT IT COSTS  
**TO "GIVE AWAY A DOLLAR?"**  
IF SO, READ THIS

A long distance call located this boy's father. After giving the boy a lunch the Secretary of the Charity Organization Society sent him back home at the father's expense
