<i>List of Tables</i>	ix	Scholastic Aptitude, High School Juniors in Minnesota	88
<i>List of Figures</i>	xi	Educational Achievement, High School Seniors in Iowa	91
<i>Notes to the Series and Data Series</i>	xv	Achievement: College Seniors	95
		Footnotes	98
1. Introduction	1	5. Graduates	100
The Interpretation of Trends	5	Measuring "Production" of the Educational System	101
Aggregated and Disaggregated Measures	7	Gross Production of the Educational System	101
Criteria for the Selection of an Indicator	8	High School Graduates	101
Major Sources of Data	10	Ratio, High School Graduates to 17-Year-Olds	104
The Types of Statistical Series	11	Graduates of Colleges and Universities	106
The Organization of the Volume	12	Baccalaureate Degrees	106
Conventions of the Statistical Tables and Graphs	14	Ratio of Baccalaureate Degrees to High School Graduates Four Years Earlier	107
Footnotes	16	Baccalaureate Degrees Related to First-time Enrollment Four Years Earlier, by Sex	112
2. Enrollment	17	Baccalaureate Degrees per 1,000 23-Year-Olds	116
Elementary and Secondary School Enrollment	17	Master's Degrees	118
Public and Non-public Enrollment, by Level	21	Doctor's Degrees	118
School Enrollment Rates by Color	23	From Baccalaureate to Higher Degrees	121
Retention in Secondary School	23	Master's	123
Continuation Ratios, 9th to 10th Grade	25	Doctor's	125
Continuation Ratios, 10th to 11th Grade	29	Lapse Time, B.A. to Ph.D.	127
Continuation Ratios, 11th to 12th Grade	31	Trends in Various Specialty Fields:	
The Effects of War and the Business Cycle		Patterns of Growth	131
Upon Continuation in School	36	Baccalaureate Degrees	131
The Unemployment Rate	36	Master's Degrees	135
Per Capita GNP	37	Doctor's Degrees	138
Military Expansion	37	Projections of Degrees	138
Continuation Ratios	38	An Academic Production Index	145
Degree Credit Enrollment	44	The Gross API	146
Junior College Enrollment	44	API per Graduate	148
Ratio of First-time Enrollment to the 18-Year-Old Population, by Sex	49	Enrollment per API	152
Ratio, College Enrollment to Population 18-21 Years of Age	52	Faculty per API	153
College Enrollment Ratios by Sex	54	API per Faculty Member	153
Enrollment Rates by Age	54	Student Aid per API	156
Age Specific Enrollment Rates, by Cohort	58	Higher Education Expenditures per API	156
Footnotes	65	Suggestions for Improving Data on Graduates	159
3. Teachers	68	Quality of the "Product"	159
Public Elementary and Secondary Teachers	69	Characteristics of the Graduate	160
College Faculty	69	Geographic Origins and Destinations	160
Public School Teachers by Sex	72	The Classification of Fields	161
Age of Teachers	74	A Note on Sampling	162
Teachers with Substandard Certificates	78	Footnotes	163
Pupil-Teacher Ratio	80		
Public and Non-public	82		
Footnotes	86	6. Trends in Educational Organization and Finance	166

The Number of Institutions by Type	167	Attainment, 20–24-Year-Old Nonwhite Males	216
Size of School Systems	169	Footnotes	220
Length of Term and Days Attended	173	8. Attaining Society's Goals for Education	221
Institutions of Higher Education	174	Goals Concerning Teachers	222
Size of Institutions of Higher Education	180	Goals Concerning Segregation	233
Revenue for Public Elementary and		Goals for the Education of Women	238
Secondary Schools	182	Goals for the High School Curriculum	239
Expenditures for Public Elementary and		Goals for Higher Education	243
Secondary Schools	184	Goals for Financing Higher Education	253
Revenues of Institutions of Higher Education	185	Footnotes	257
Sources of Revenue for Higher Education	190		
Expenditures of Institutions of Higher		Appendix A What Contributes Most to an Increase in	
Education	193	Degrees: A Change in Rate or Change in	
Footnotes	200	Population?	259
7. Educational Attainment	202		
Median Years of Schooling	203	Appendix B The Development of an Academic	
Percentage Attaining Given Years of School	205	Production Index	264
Less than Five Years Schooling of an Age			
Group by Sex and Color	207	Appendix C Age Cohorts of the Population	269
Twelve or More Years Schooling, by Age and			
Sex, for the Population 20–24 Years of Age	210	Appendix D Notes to the Series	276
One Year or More of College for White			
Females in Three Age Groups	214	Appendix E Statistical Series	375
